Your away membership number/client reference number must be provided at the time of purchasing an away ticket from Nottingham Forest Football Club ticket office. You may affect your chances of buying tickets for high-demand away fixtures by not quoting your membership number/client reference number. **It is the responsibility of the individual to provide these details, as the ticket office cannot accept responsibility for non-recorded transactions.**

**PLEASE NOTE:** Under no circumstances will the Club add games to a supporter's match history after the point of sale, even if stubs can be provided. Tickets purchased at the away venue will not be added to your match history.

I have read and understood the above information.
