

## **ACCESSIBILITY – SEATING FOR ALL**

Ensuring that we give supporters with accessibility needs the very best possible help and advice before, during and after every visit to The City Ground is at the heart of everything we do at Nottingham Forest, enabling us to provide the best possible matchday experience for all.

The City Ground has a range of facilities to cater to the needs of every wheelchair or ambulant-disabled supporter who wishes to see The Reds in action.

Any supporter who may require wheelchair access or an ambulant-disabled seat for the 2019-20 campaign should contact the club directly by calling 0115 982 4388 or by visiting the ticket office in-person to ensure that they get the best possible advice for the best area of the stadium or seat for their individual needs.

In the first instance, please visit the 'Disability Information' section on the season card page to see what you will need to provide in order to help us deal with your enquiry more efficiently.

Drop us a line on [accessibility@nottinghamforest.co.uk](mailto:accessibility@nottinghamforest.co.uk) for further information.

Call our friendly ticket office for assistance on 0115 982 4388 from 9am-5pm (Monday to Thursday), 9am-6pm (Friday) or 9am-5pm (Saturday).

Call into the ticket office for speedy assistance from 9am-5pm (Monday to Thursday), 9am-6pm (Friday) or 9am-5pm (Saturday).
